SPEAKER: Further discussion. Senator Dickinson.

SENATOR DICKINSON: I rise to support Senator Warner's amendment to the DeCamp amendment. Just makes good sense, that's all. I am not sure Senator George understood it but I am sure Senator Warner will close on this. It will include no hunting from the roads for all birds. It is that simple and it is a very good idea.

SPEAKER: Next, Senator Chambers. He has made the point, so if there are no more lights, Senator Warner would you like to close on your motion?

SENATOR WARNER: Well, just to..Mr. President, I don't want to dwell on it. I think it is understood it would just prohibit the shooting of any kind of a bird from the right-of-way or road.

SPEAKER: All right. The question is, the Warner amendment to the DeCamp amendment. This takes a simple majority of those voting. All in favor vote aye. Those opposed vote no.

SPEAKER: Voting no.

CLERK: Senator Simpson voting no.

SPEAKER: Have you voted? The Clerk will record.

CLERK: 23 ayes, 14 nays.

SPEAKER: The amendment is adopted. Now we are back to the DeCamp amendment as amended. Senator Syas, do you have further discussion on the DeCamp amendment as amended?

SENATOR SYAS: Well, I endorsed the Senator George or DeCamp amendment from the beginning. I am stuck with this other one but I will have to take it. I will take it. No alternative. I don't like it though.

SPEAKER: The motion is....I understood that, George. The motion is to adopt. All in favor vote aye. Those opposed vote nay. Voting aye.

CLERK: Senator Simpson voting aye.

SPEAKER: The Clerk will record.

CLERK: 32 ayes, 4 nays, 13 not voting.

SPEAKER: The amendment is adopted. Further amendments on the desk.

CLERK: Oh, yes.

SPEAKER: Whose next?

CLERK: Mr. President, there is another amendment offered by Senator Warner to the bill which would do as follows: On Page 3, line 26 after "bird" insert, "and in counties containing a primary class city and in any adjacent county morning doves." On Page 5...

SPEAKER: Senator Warner.
